

Robrecht Vanderbeeken

Robrecht Vanderbeeken wrote a PhD thesis (Ghent University) on a subject in Social Sciences and Philosophy of Science (i.e. the explanation of actions). He is also a former researcher of the Jan van Eyck Academy (2004-05). Besides his 'What are you doing ? Essays on Video Art', his publications concern a variety of topics (metaphysics, philosophy of technology and aesthetics). Since 2007 he teaches at the Faculty of Fine Arts of the University College Ghent (KASK). His current research concerns video art, theatre, media art and the philosophical implications of technological innovations in art and culture.
