Conclusies proces

Tot slot

- Cfr. digitalisering en verschuivingen in de keten: noodzaak tot scherper profieling arthouse – geen niche binnen bioscoopaanbod, maar eigen bestaansrecht (culturele opdracht: filmcultuur in de volle breedte laten beleven).
- Schaalvergroting daarom niet in functie van commercialisering, wel een stevige basis creëren voor zowel exploitatie als voor culturele opdracht.

3. Home Manchester - Jason Wood

FILM

WE ARE

- INDEPENDENT & INTERNATIONAL
- CONTEMPORARY & CROSS ARTFORM
- PROVOCATIVE, VISUAL & POETIC
- NEW COMMISSIONS, NEW ADAPTATIONS
- UK & WORLD PREMIERES
- DRAMATURGS & VISITING CURATORS
- EMERGING ARTISTS, DIRECTORS, TALENT

- Admissions – 170,000 since opening. Projected target was 150,000.
- Over 600 different films screened from all over the world (40 different countries), both contemporary and historical.
- 100 Q&A events with figures emerging and established including: Ken Loach, Whit Stillman, John Boorman, Nicolas Winding Refn, George Ampsonah, Carol Morley, Ira Sachs, Babak Anvari
- Key seasons internally curated – Crime Hong Kong Style/Jim Allen/Ballard/Soundtrack
- Key partnerships: Guardian/Film Four/BAFTA/BFI
- Incredible national success with HOME repeatedly out performing cinemas in London and the South East despite a ticket admission price that is half of that in the capital.
- All the above offers proof that there is a thirst for film culture in the UK. And we should embrace this and not continually pander to the commercial mainstream.
